THERE'S
NO BODY
...?

IT
FIG-
URES.

MARIE BELL
BREGUET
BECAME A
SACRIFICE
DURING
THE KYOTO
PURGE
ATTEMPT.

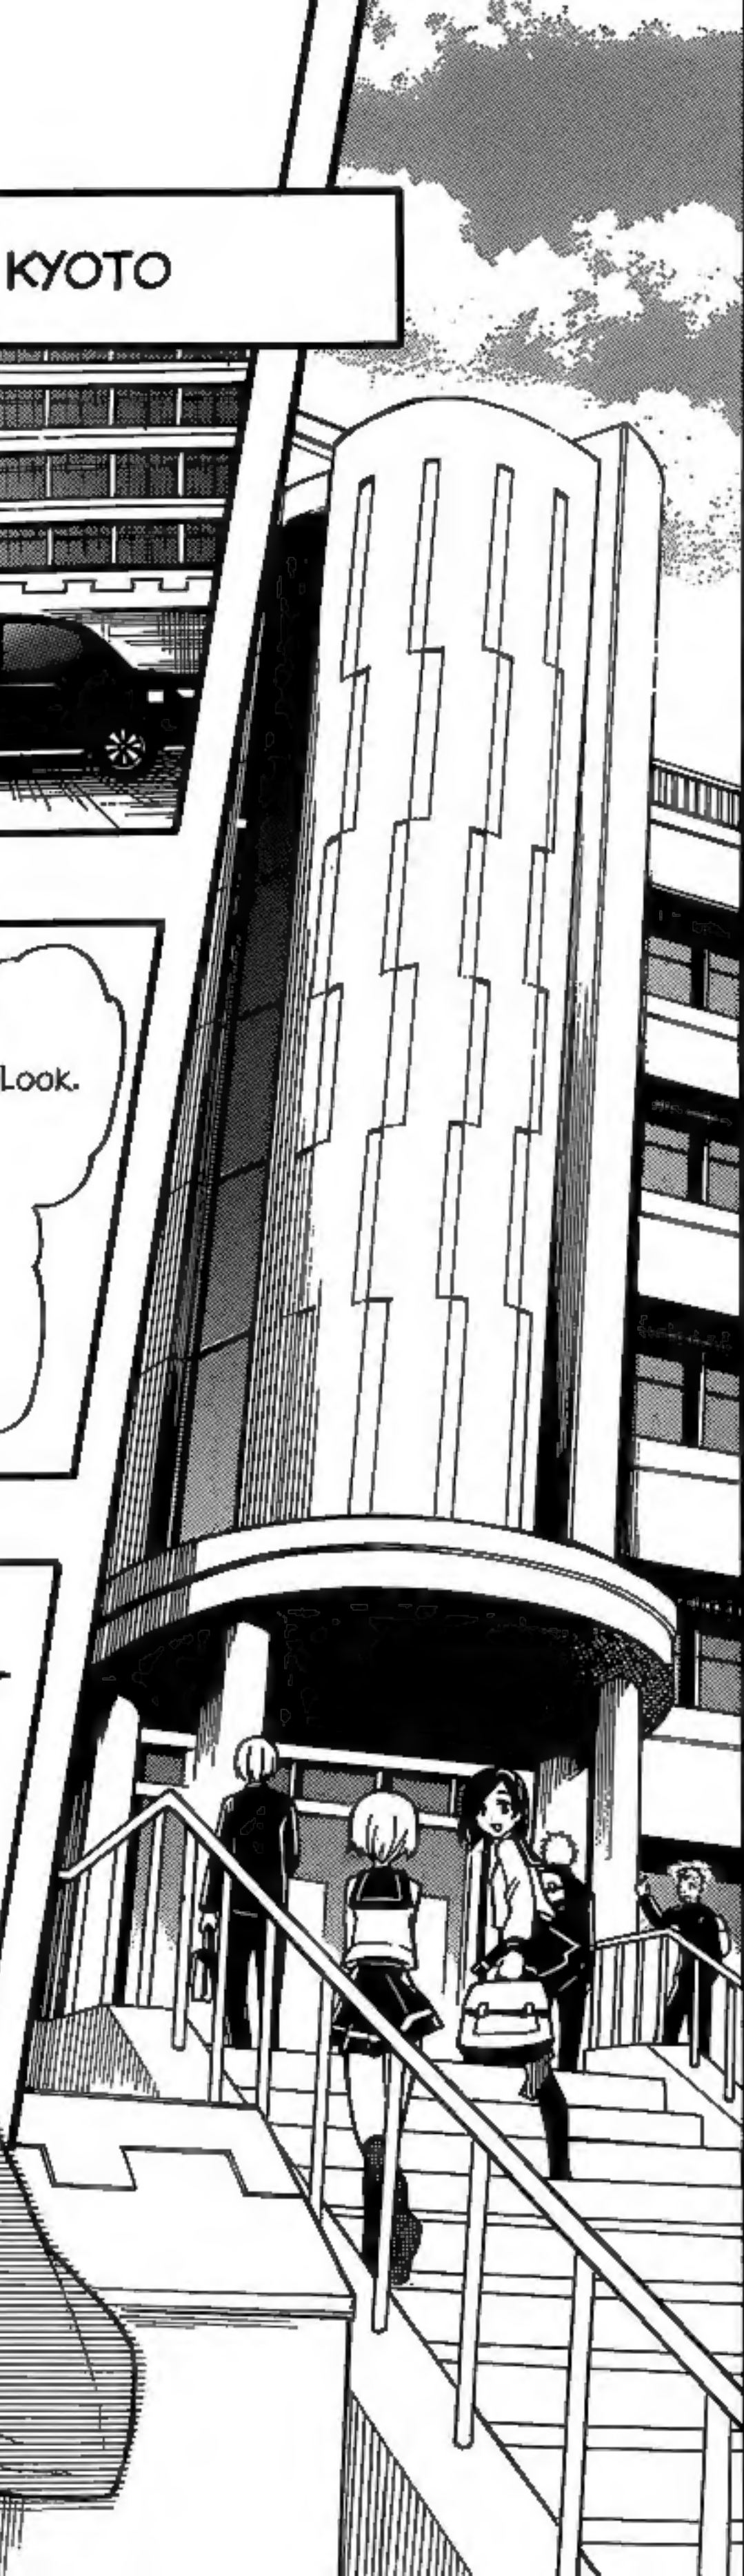

SHE'S
ALIVE
SOME-
WHERE,
ISN'T
SHE?

I HAD
HEARD
THAT
THERE WAS
SEVERE
DAMAGE
TO THE
BODY,
BUT...
WHAT WAS
LEFT OVER
SHOULD
STILL BE
IN THE
COFFIN.

TADASUMORI HIGH SCHOOL

SPARKLE

あーあ

Hey,
everyone.

I hope
you are
well.

SPARKLE

あーあ

しゃん

HAA
WAA!

マリー・
ベル・ブレゲ
女子高生として世を忍ぶ
元「国境なき技師団」の
第一級時計技師の少女。
マエリベル・ハルター
と名乗っている。

Maribelle
Halter-
san...
She's so
wonderful!

SPARKLE

SPARKLE

Sh... She's
dazzling...
She has a
sparkly aura
that you
just can't
approach.

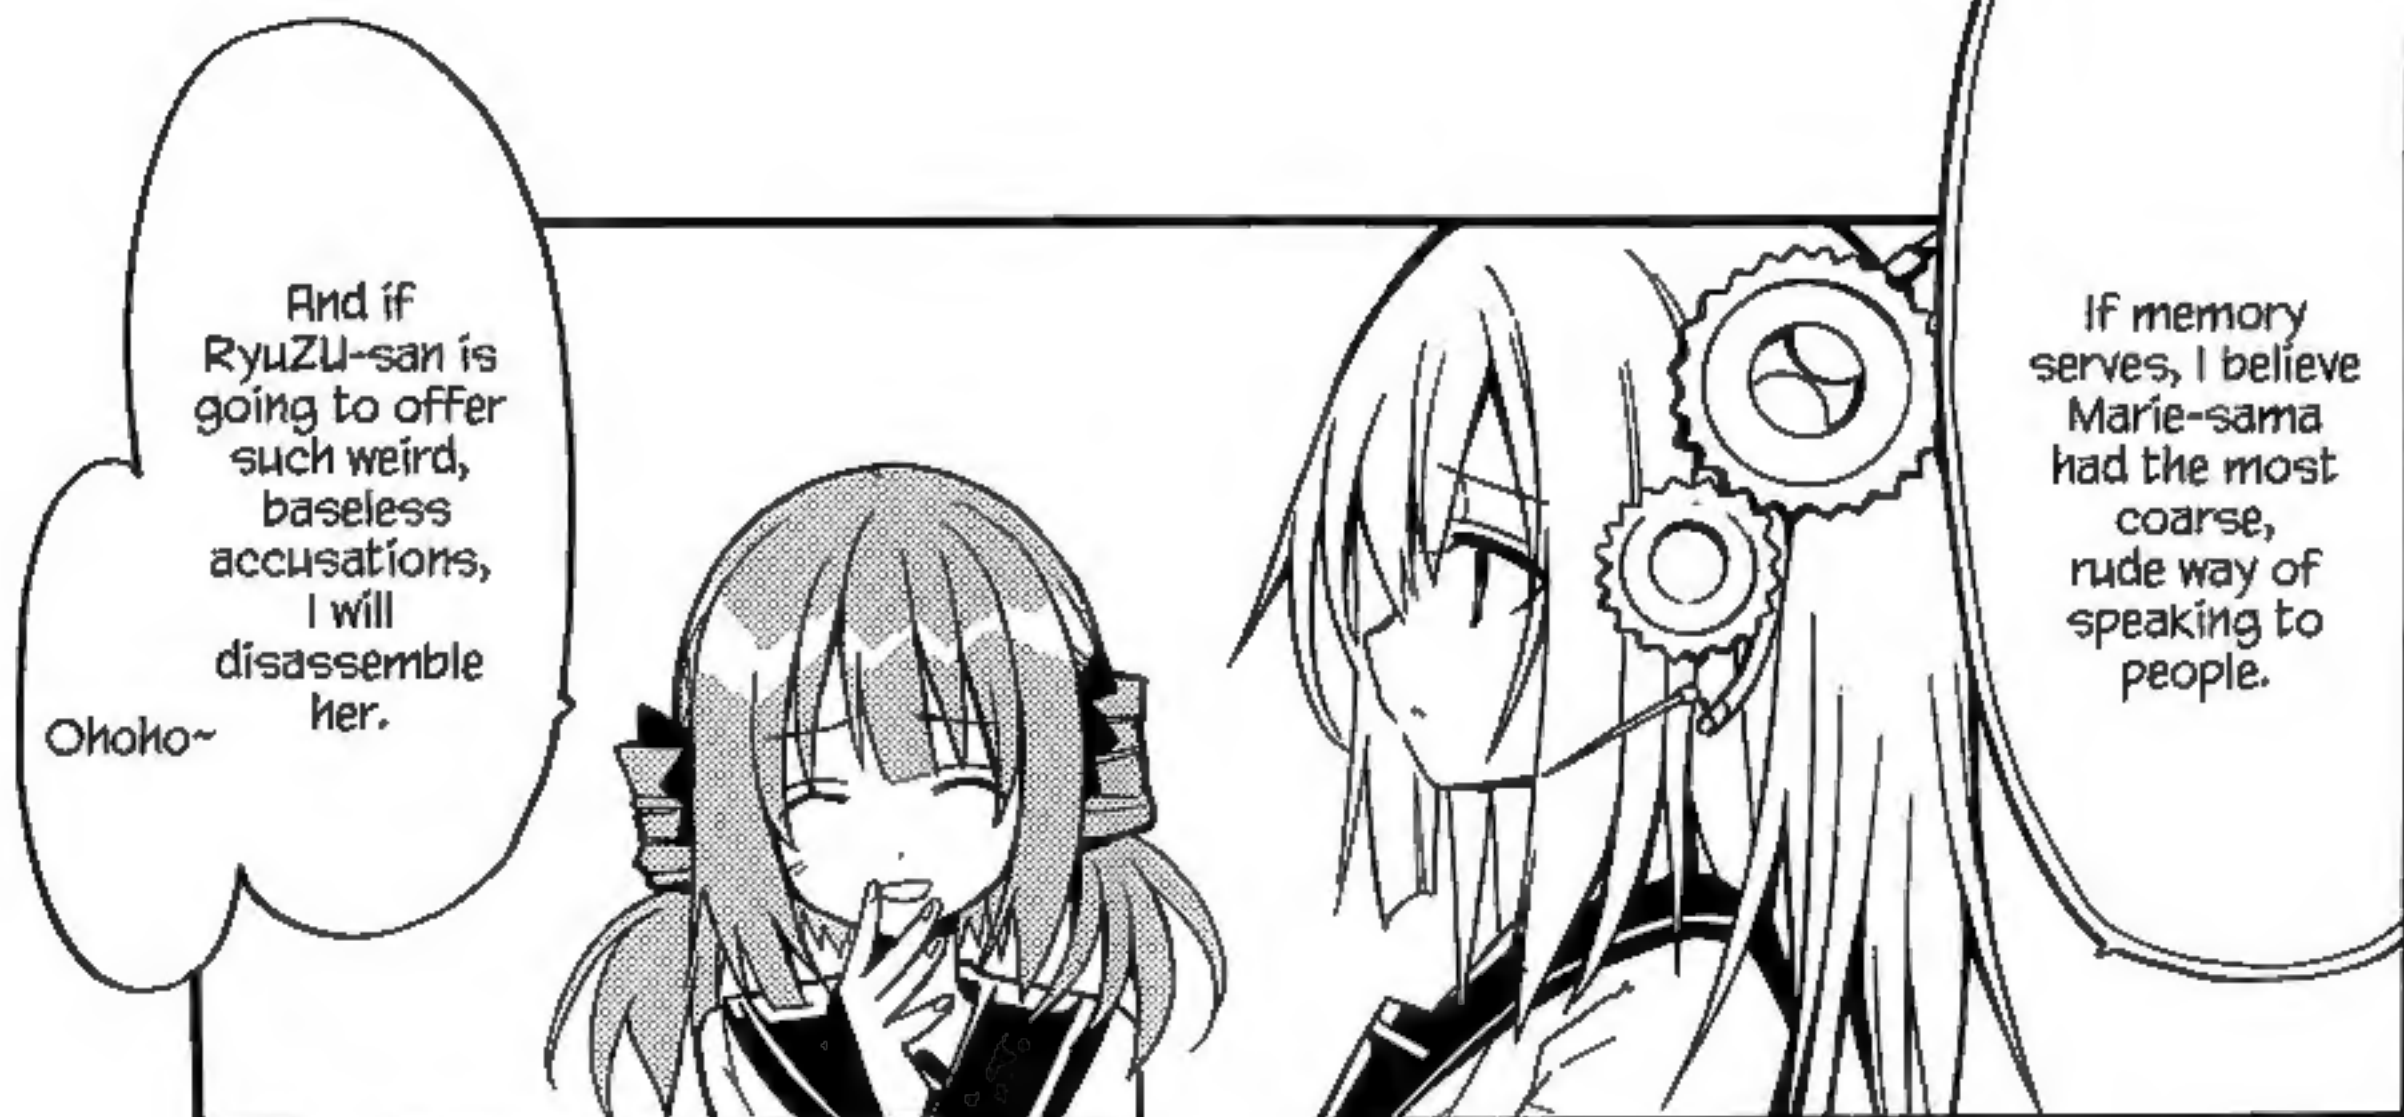

Hold it!
I'm first...

Me
too!

I'll try
calling
out to
her!

は、

And if
RyuZU-san is
going to offer
such weird,
baseless
accusations,
I will
disassemble
her.
Ohoho~

If memory
serves, I believe
Marie-sama
had the most
coarse,
rude way of
speaking to
people.

*Like you could...

Isn't it
just that
you're so
small?

And damn,
the old guy
stands out.
He's
huge.

If you have
something
fun going
on, tell me
about it.

At any rate,
let's have fun
while getting
to know our
classmates.

Hey,
Marie-
san.

GET INTO
SUCH AN
ENVIABLE
GROUP?!

HOW DID
THAT
LOSER,
NAOTO
MIURA,

It's the
start of my
school life!

I'm really
interested
in seeing
what the
educational
facilities of
commoners
are like.

Sigh

Whaaaat?
I'm being
a good
girl here,
right?

While I'm
glad you're
finally being
pleasant...

...What
are you
up to?

I am
sooooo
gonna
enjoy
this!

Tee-
hee~

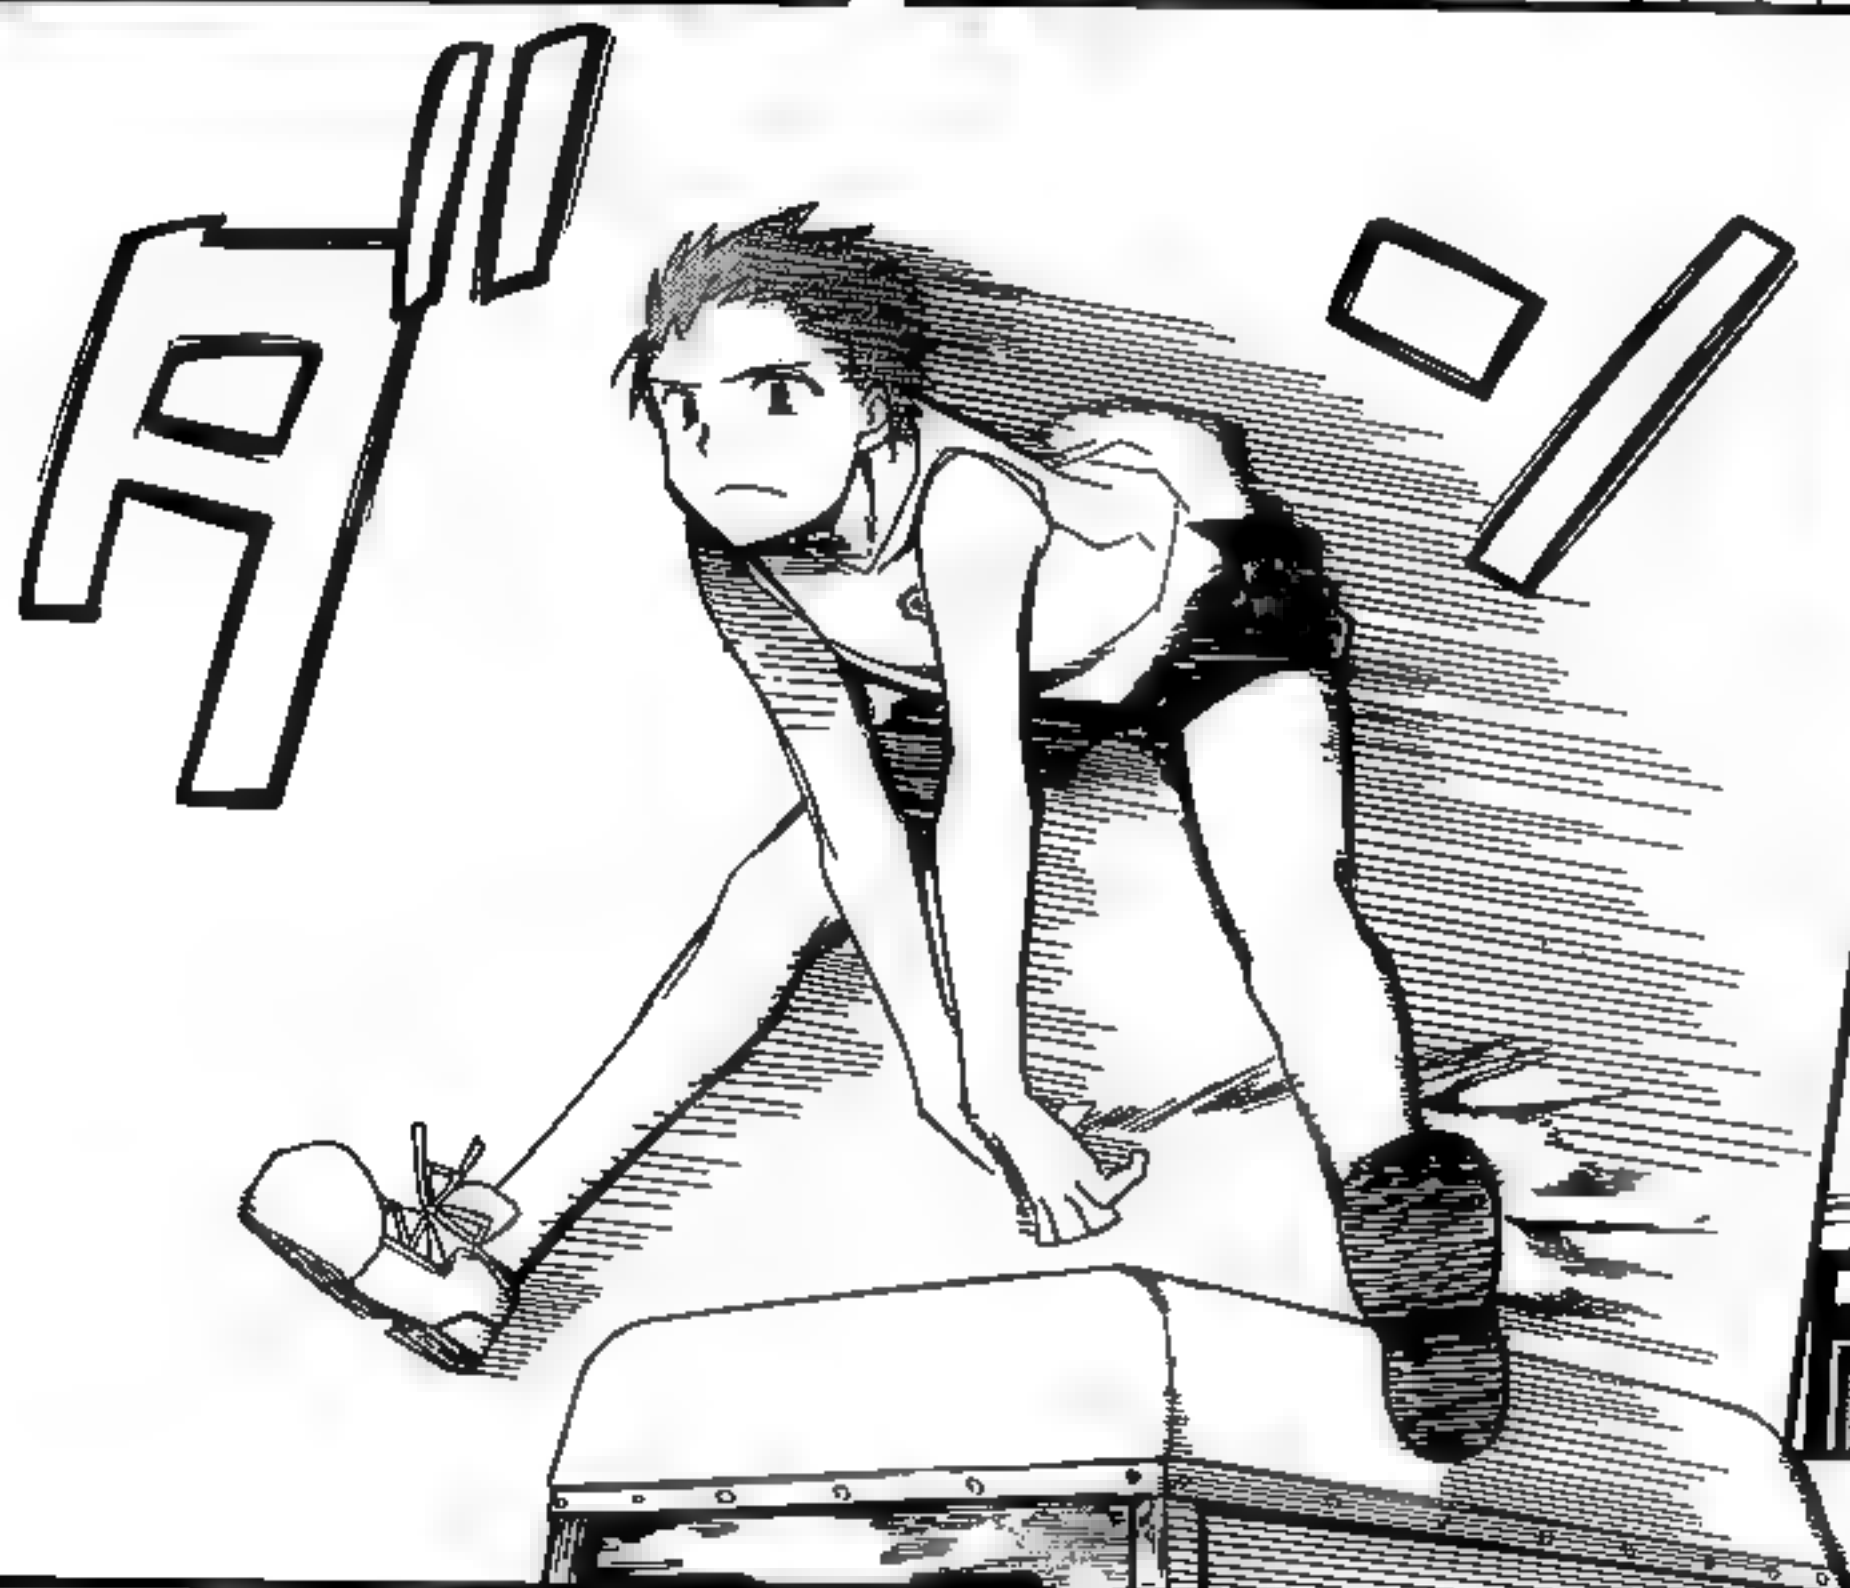

...WELL,
FINE...
PHYS'ED
IS NEXT.

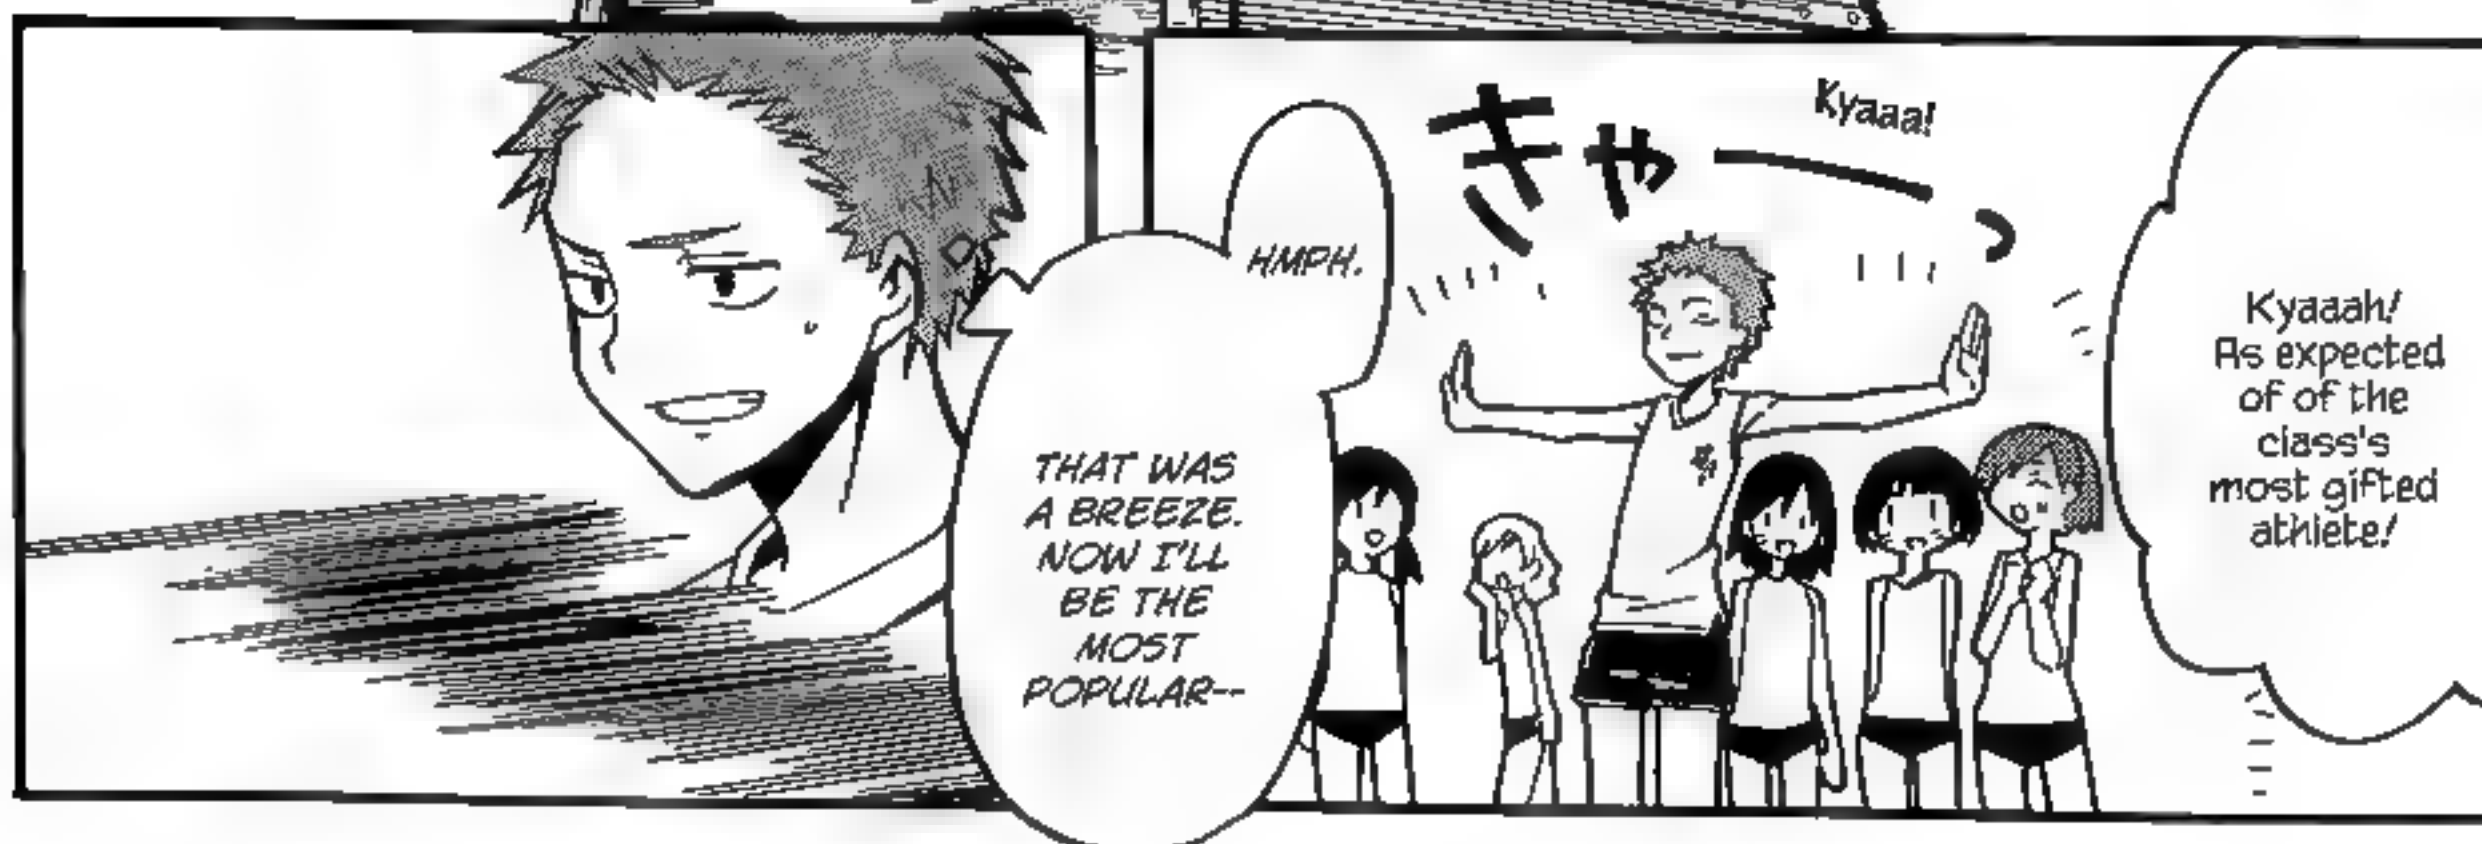

THEY'RE
TREATING
ME LIKE AN
IDIOT.

ISN'T THIS
TOTALLY BASIC
STUFF? WHAT'S
WITH THESE
SENTENCES?
WHO CARES
ABOUT SOME
PEN OR
WHATEVER?

OKAY,
SO THE
ACADEMIC
EDUCATION
HERE IS
HOPELESS.
MAYBE THE
PHYSICAL
SIDE WILL
BE BETTER.

HMPH.

THAT WAS
A BREEZE.
NOW I'LL
BE THE
MOST
POPULAR--

きゃー Kyaaa!

Kyaaaah!
As expected
of the
class's
most gifted
athlete!

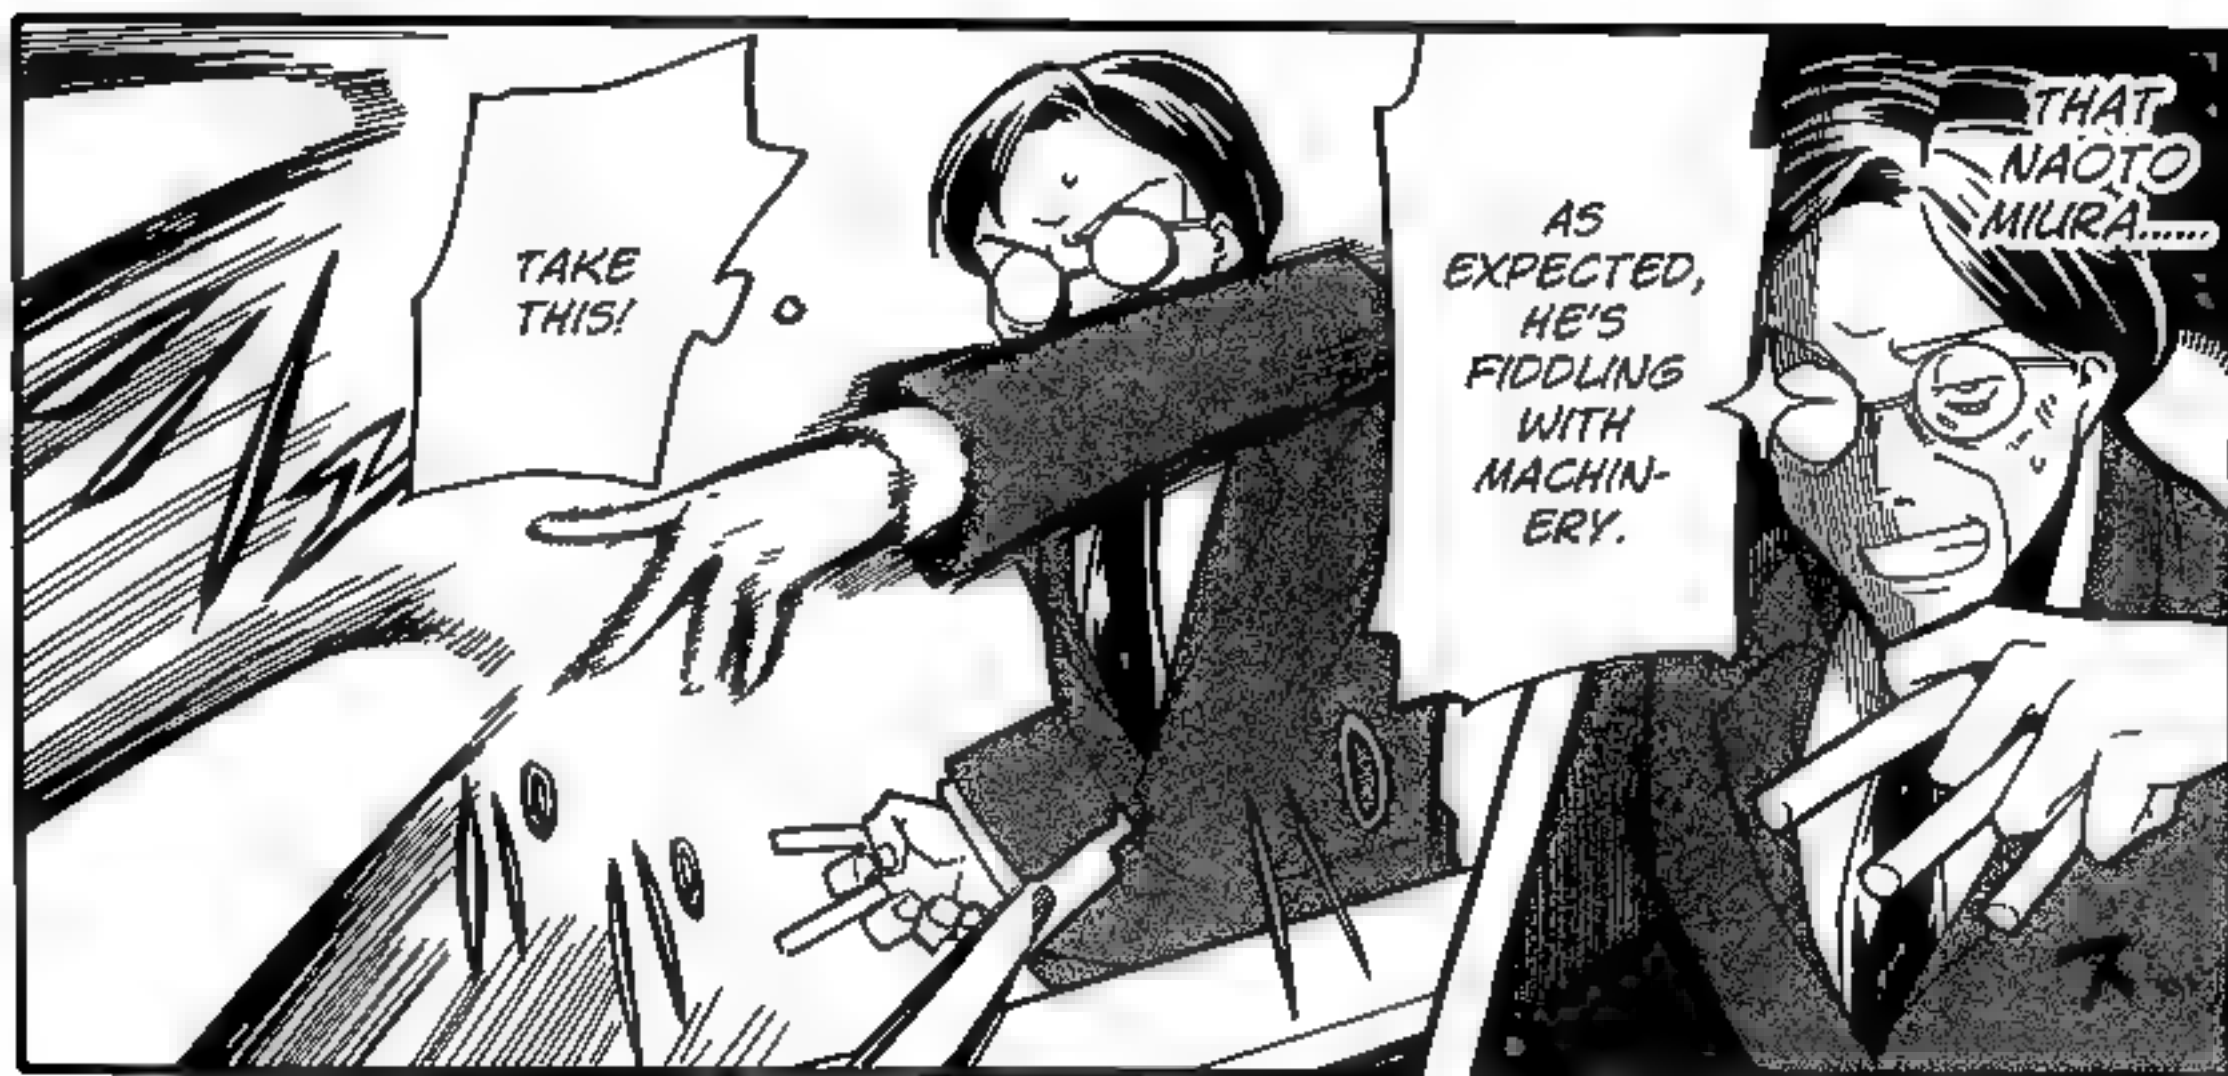

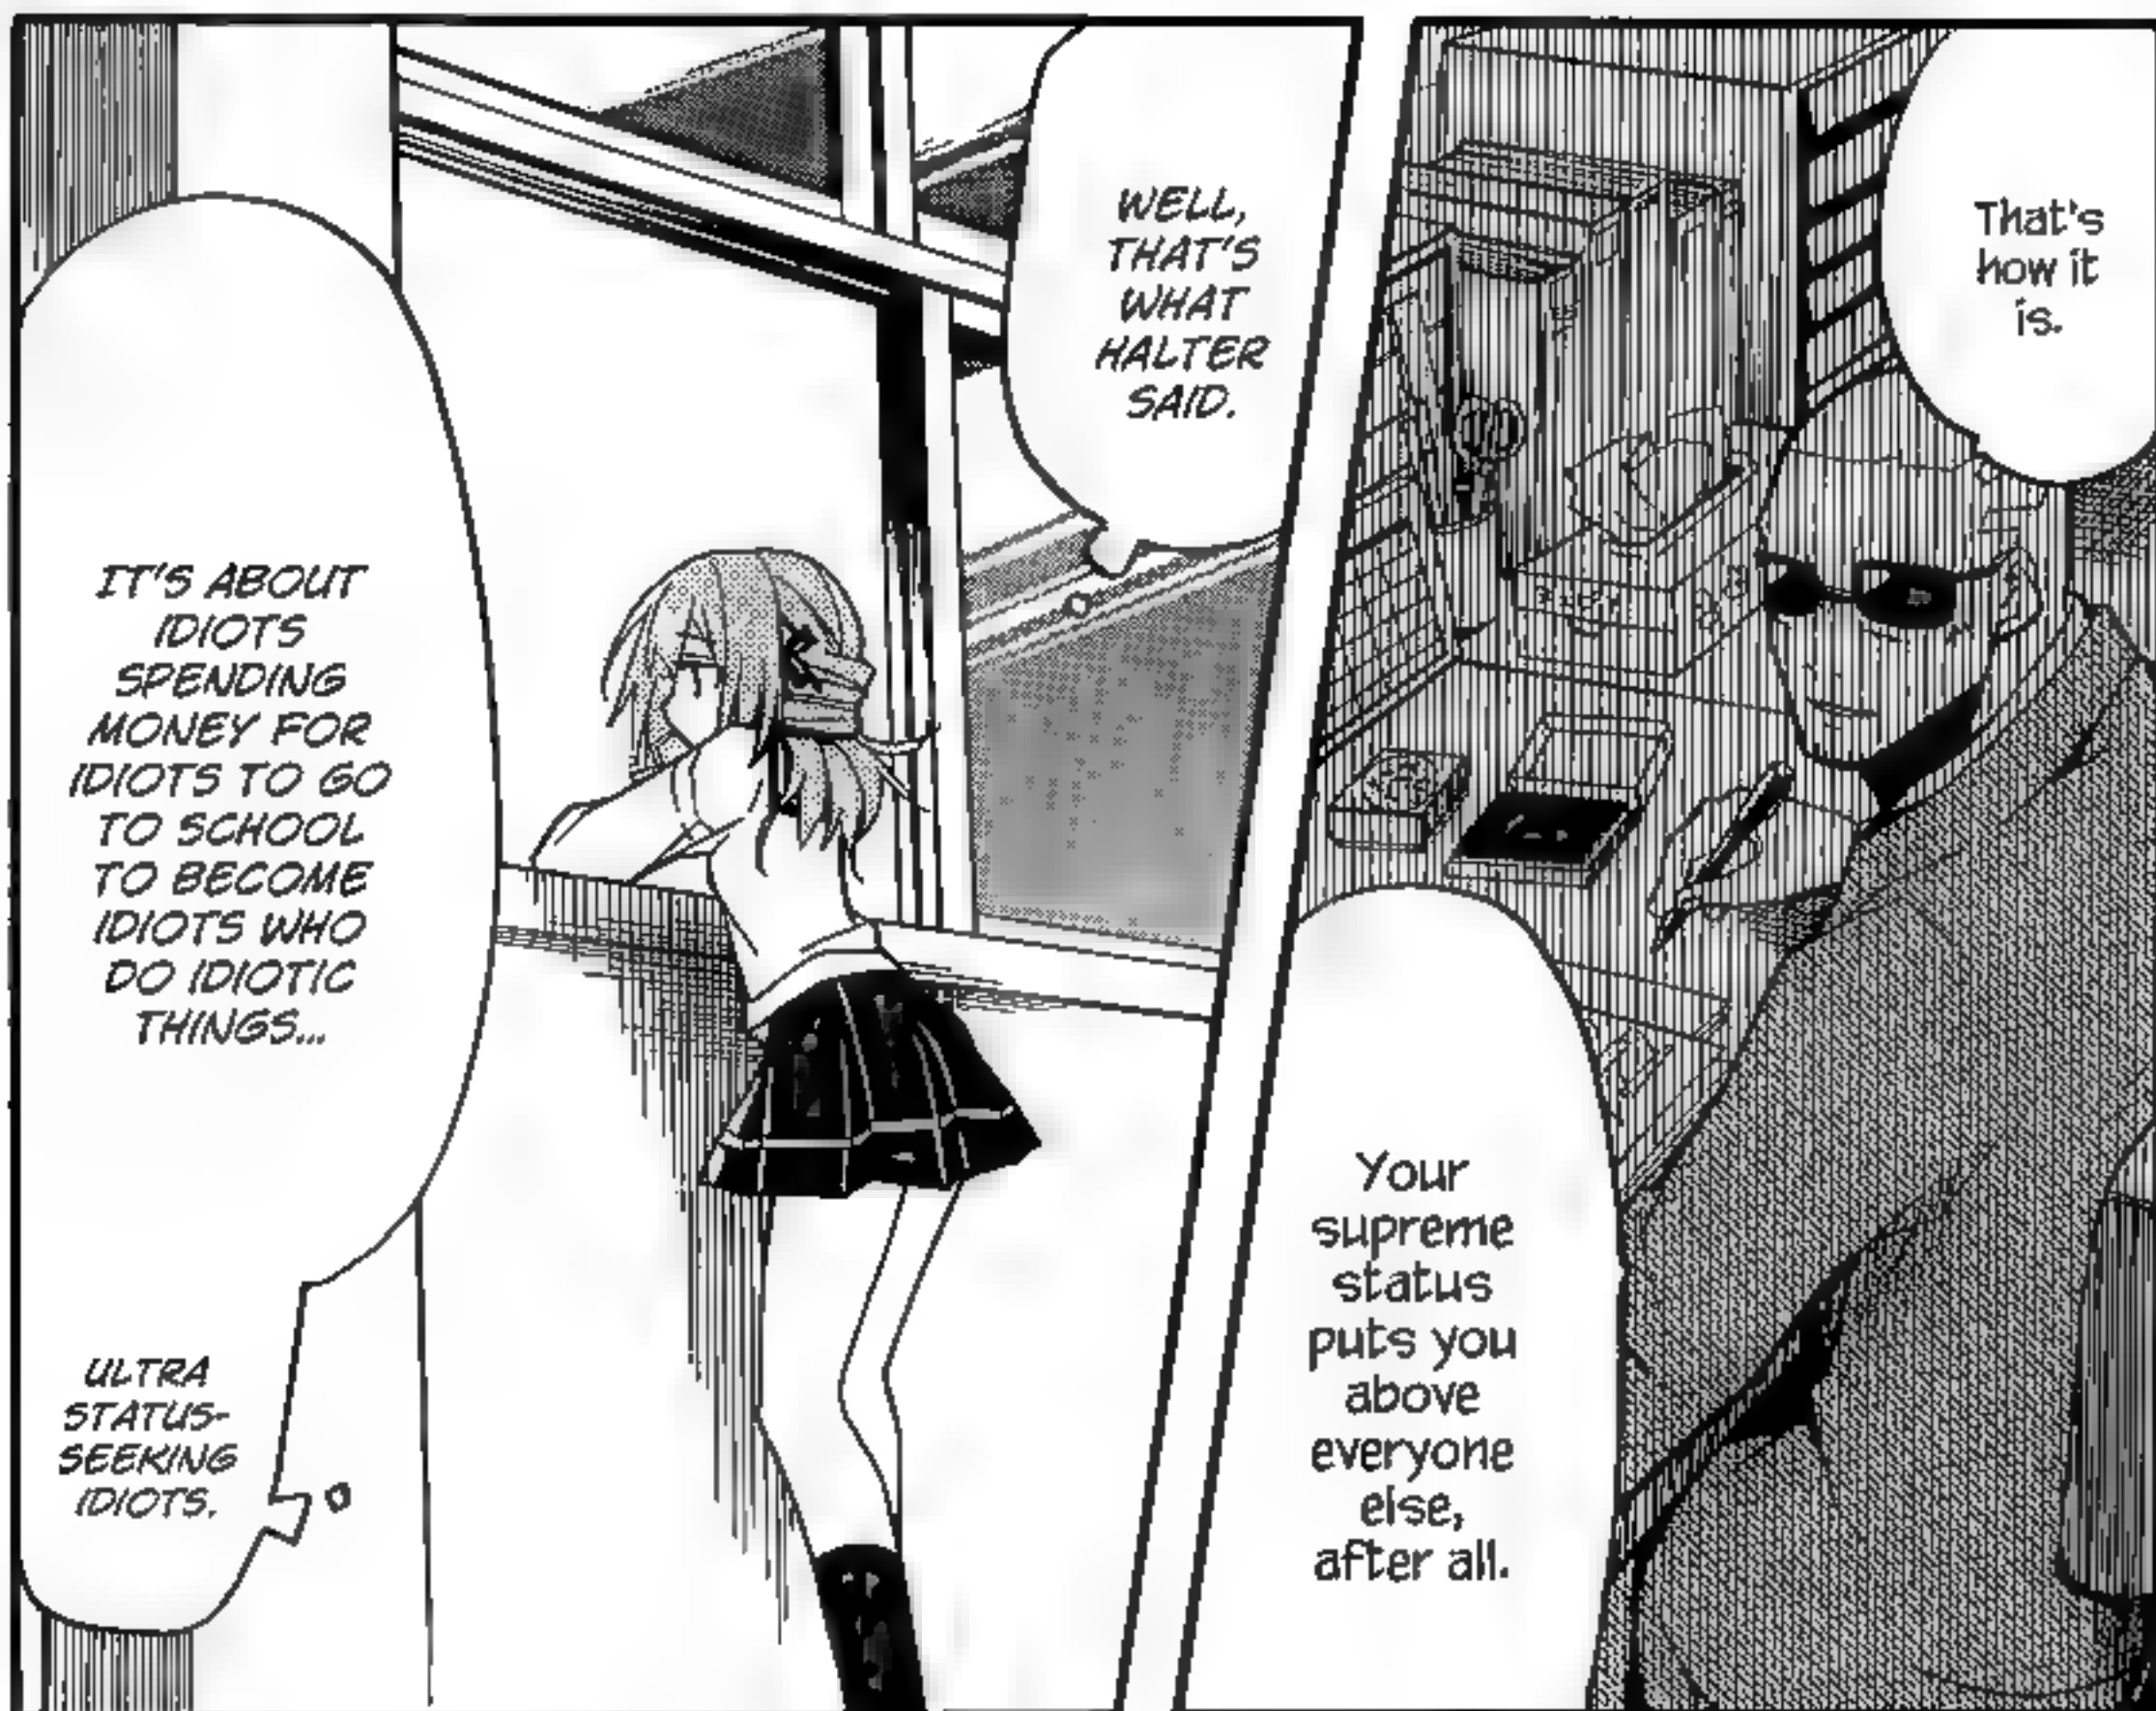

**ALL OF
YOU,
TAKE
YOUR
SEATS!**

**IT'S
A SUR-
PRISE
TEST---**

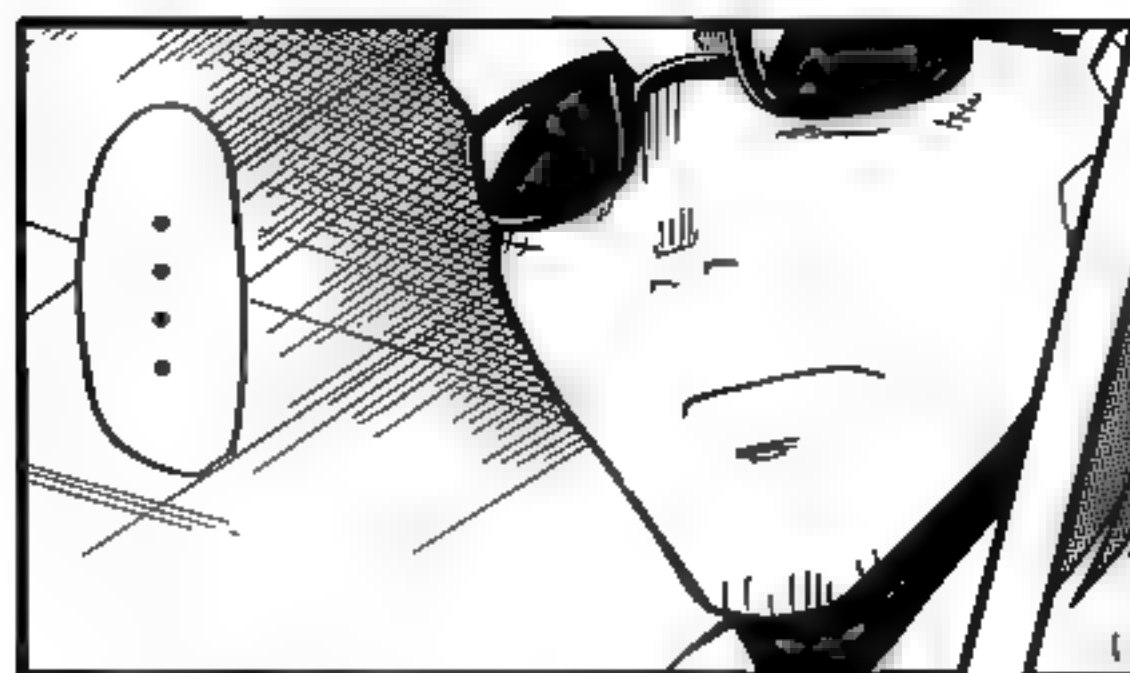

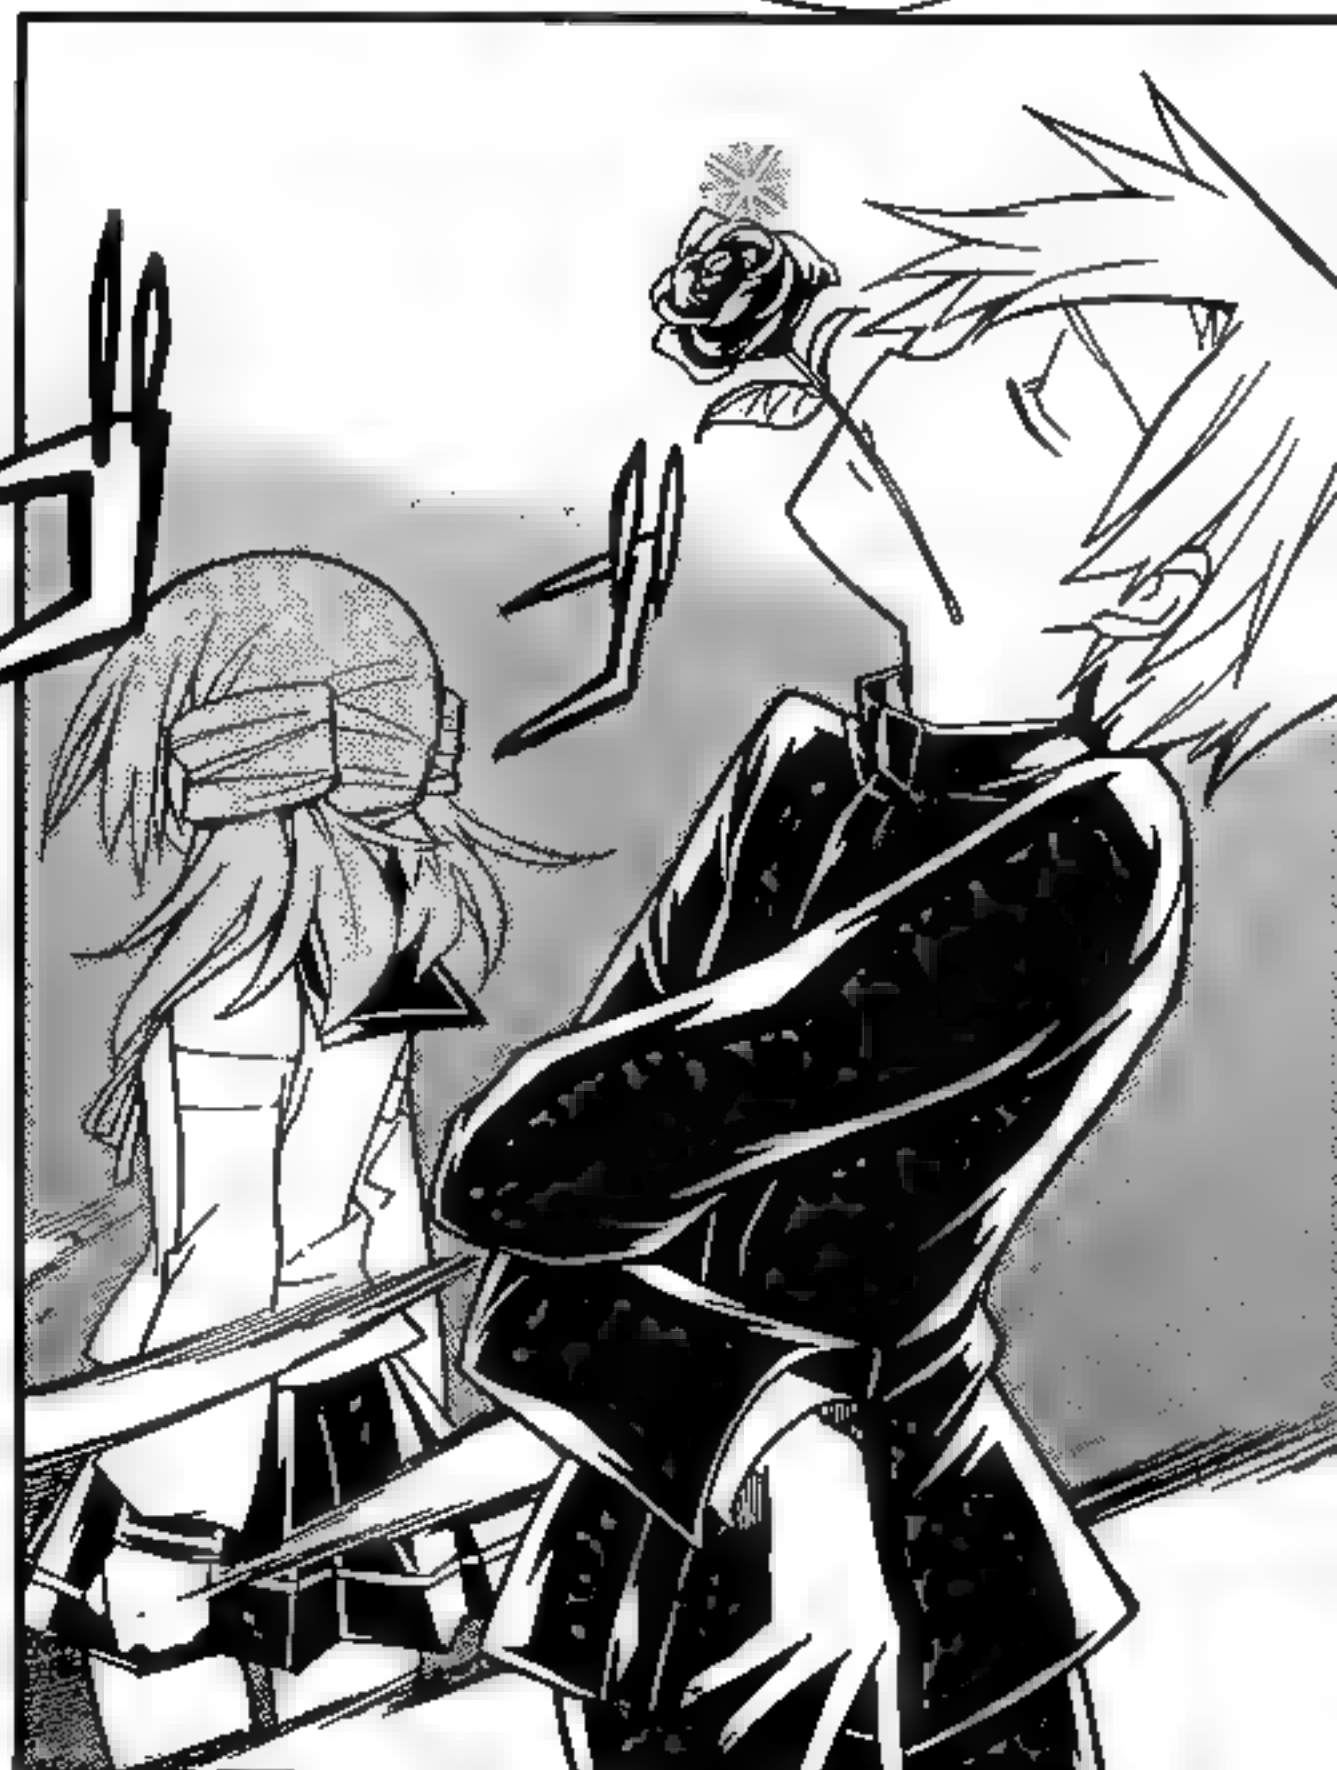

HE DID THAT ON PURPOSE... YOU'RE GONNA PAY FOR THIS!!

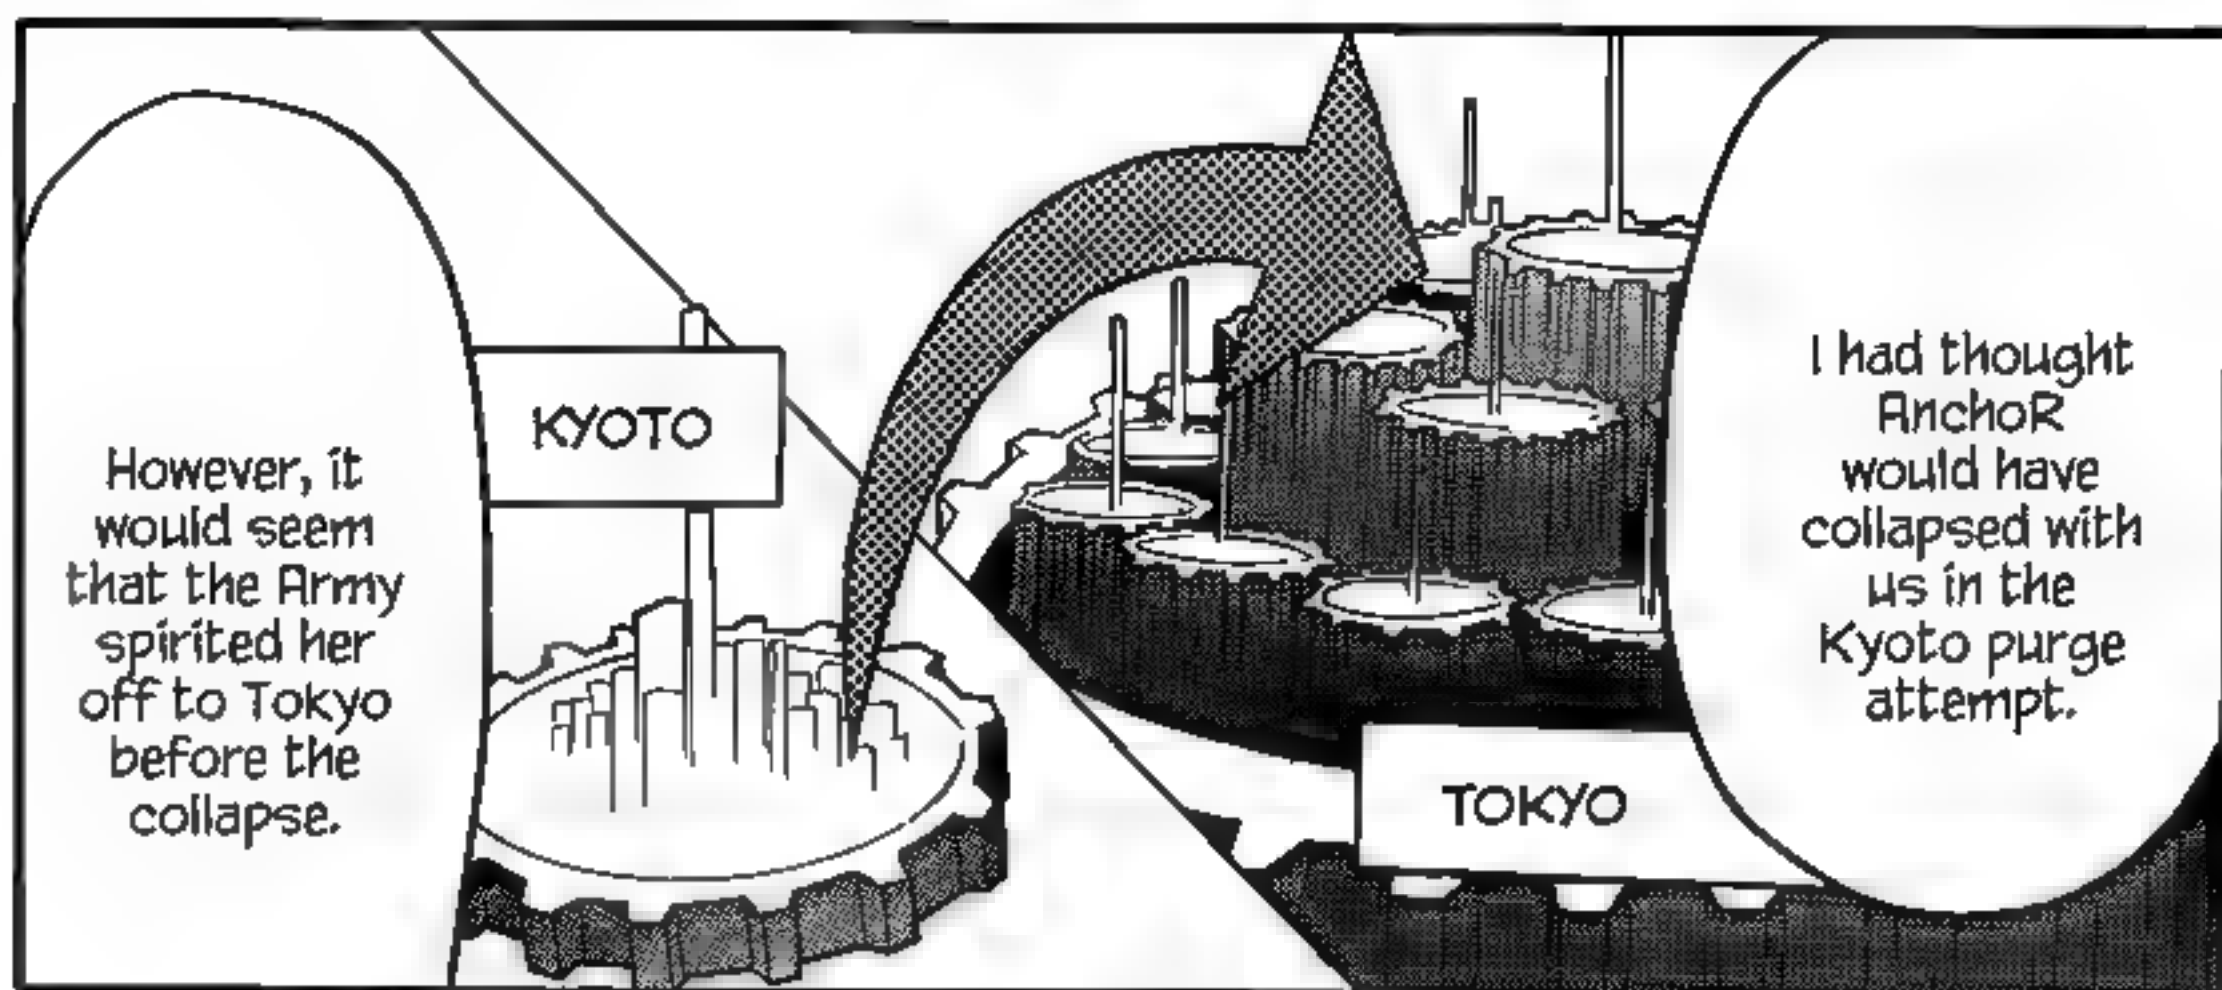

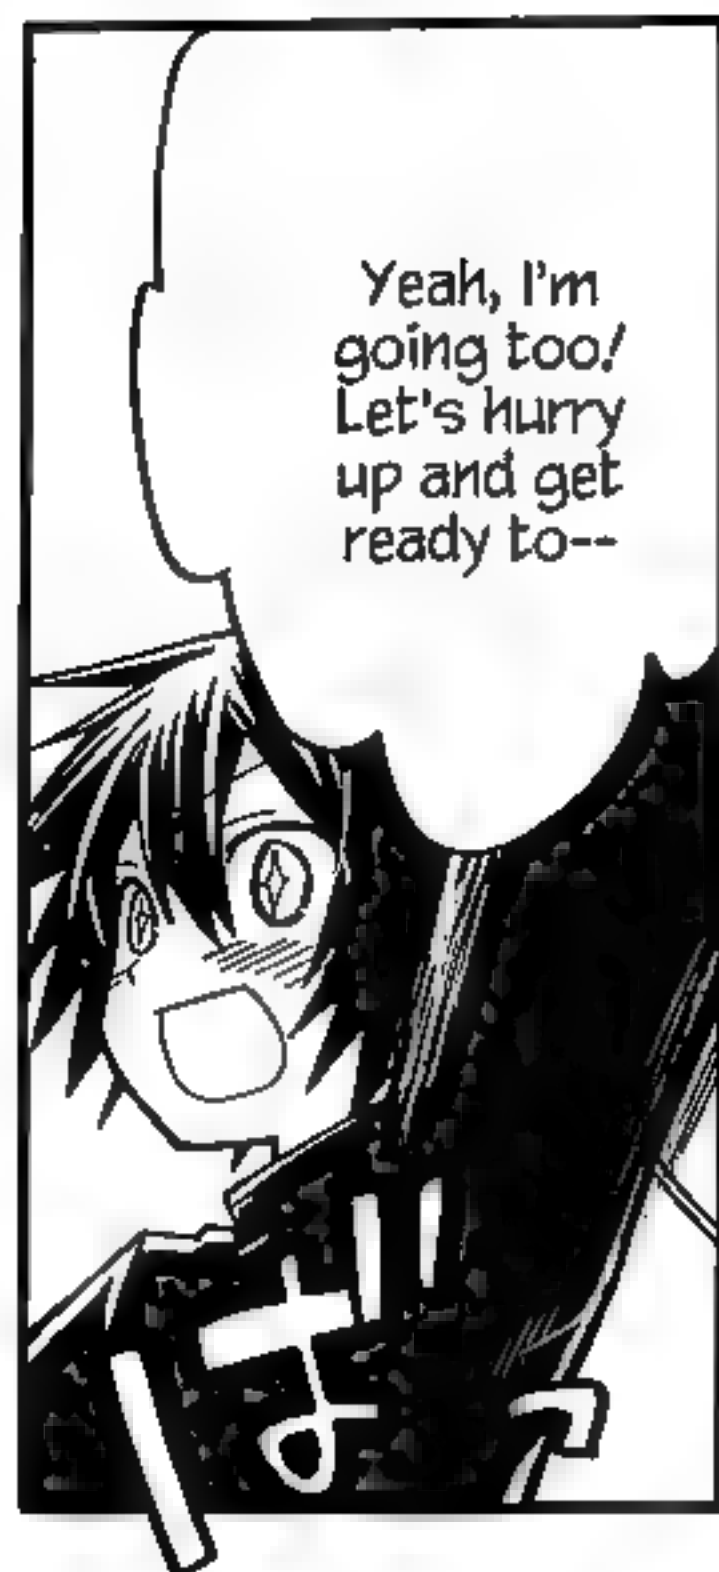

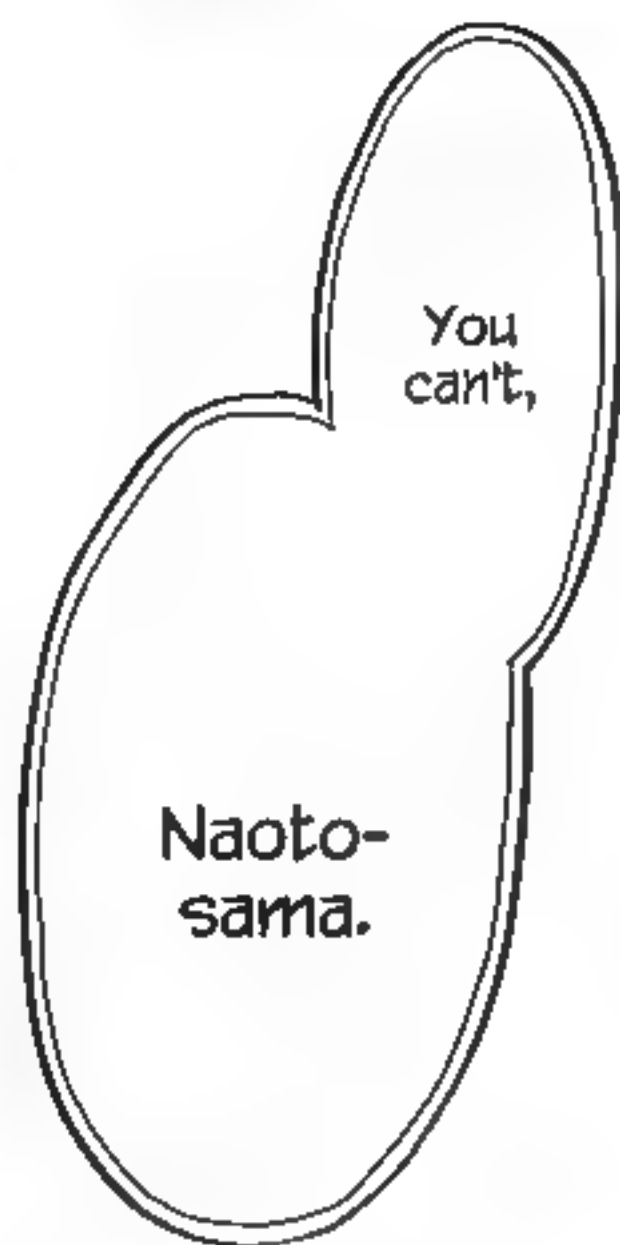

I'm sick
of it.

Naoto-
sama
earned red
marks.

It seems
that the
results of
the test
from the
other day
have been
posted.

What
are red
marks?

"Prob-
ably"?
Naoto...

Yeah.

Prob-
ably.

Hmm?

Naoto-
sama.

Who cares
about
that!/?
Let's
go get
Anchor-
chan back
right now!

Are
you
seri-
ous
...?!

When you take
the average
test score and
divide it by
two, scores
below that
point are "red
marks".

Shall we
take...

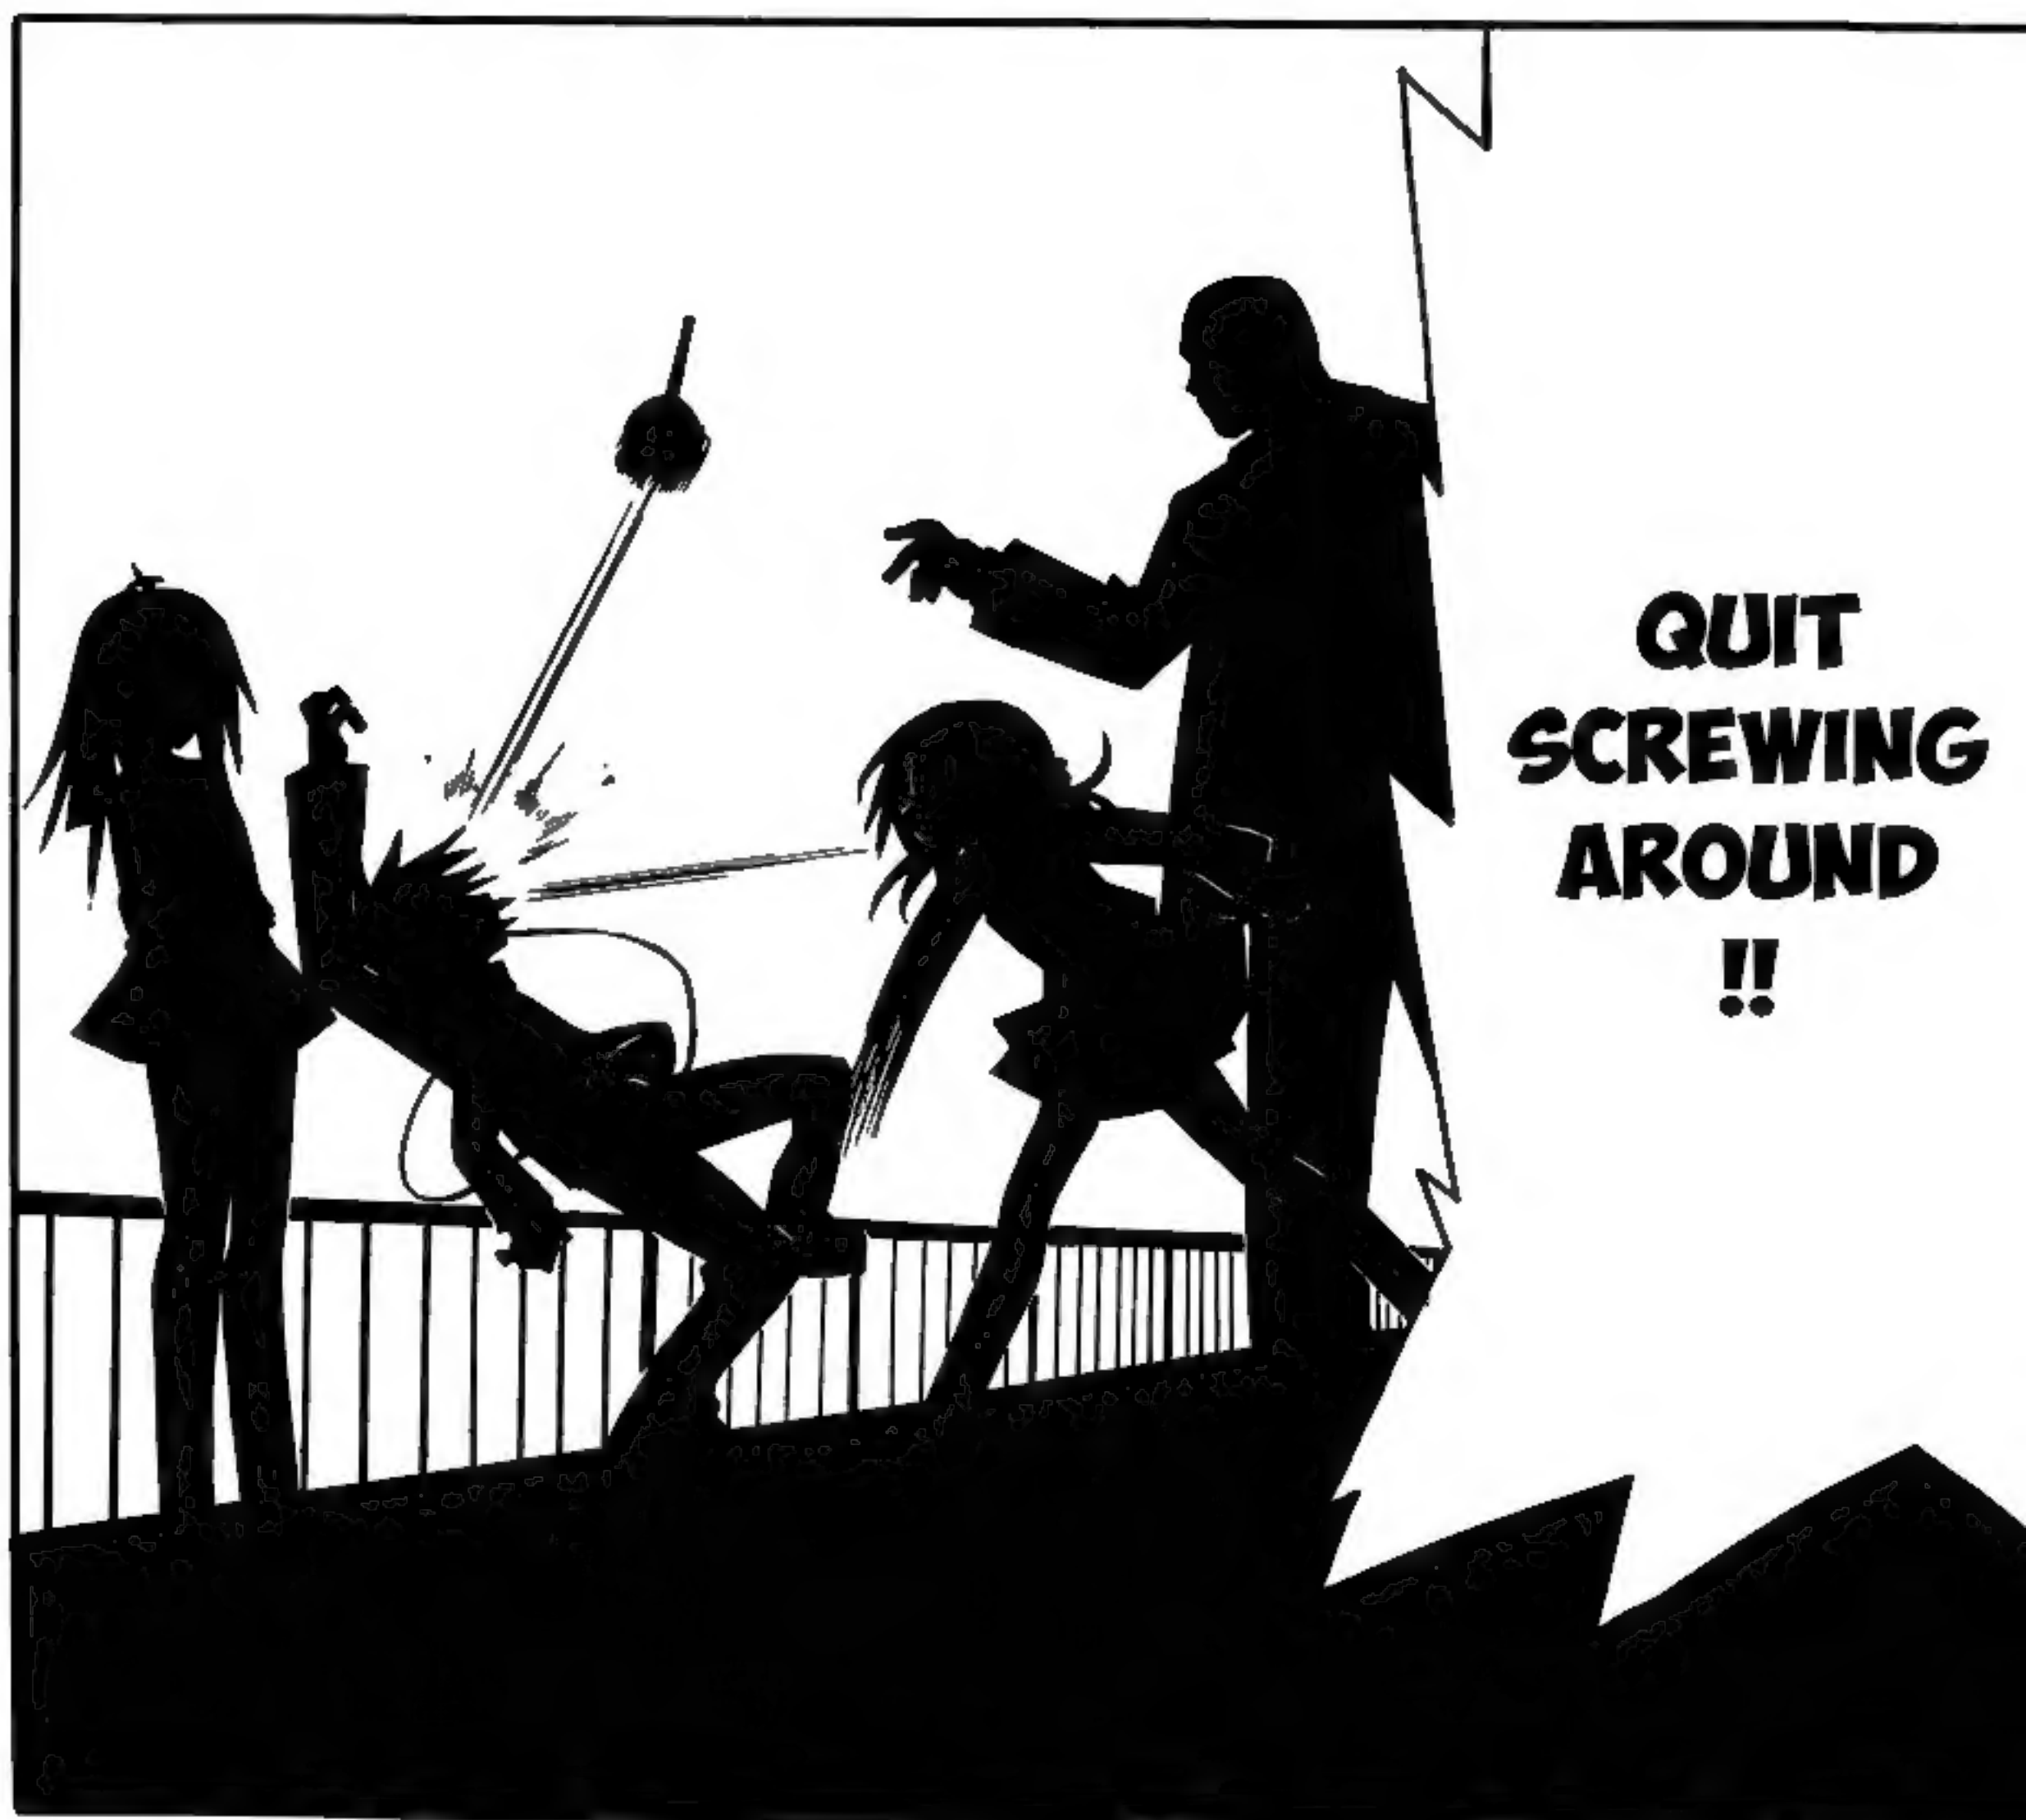

supple-
mentary
lessons
together?

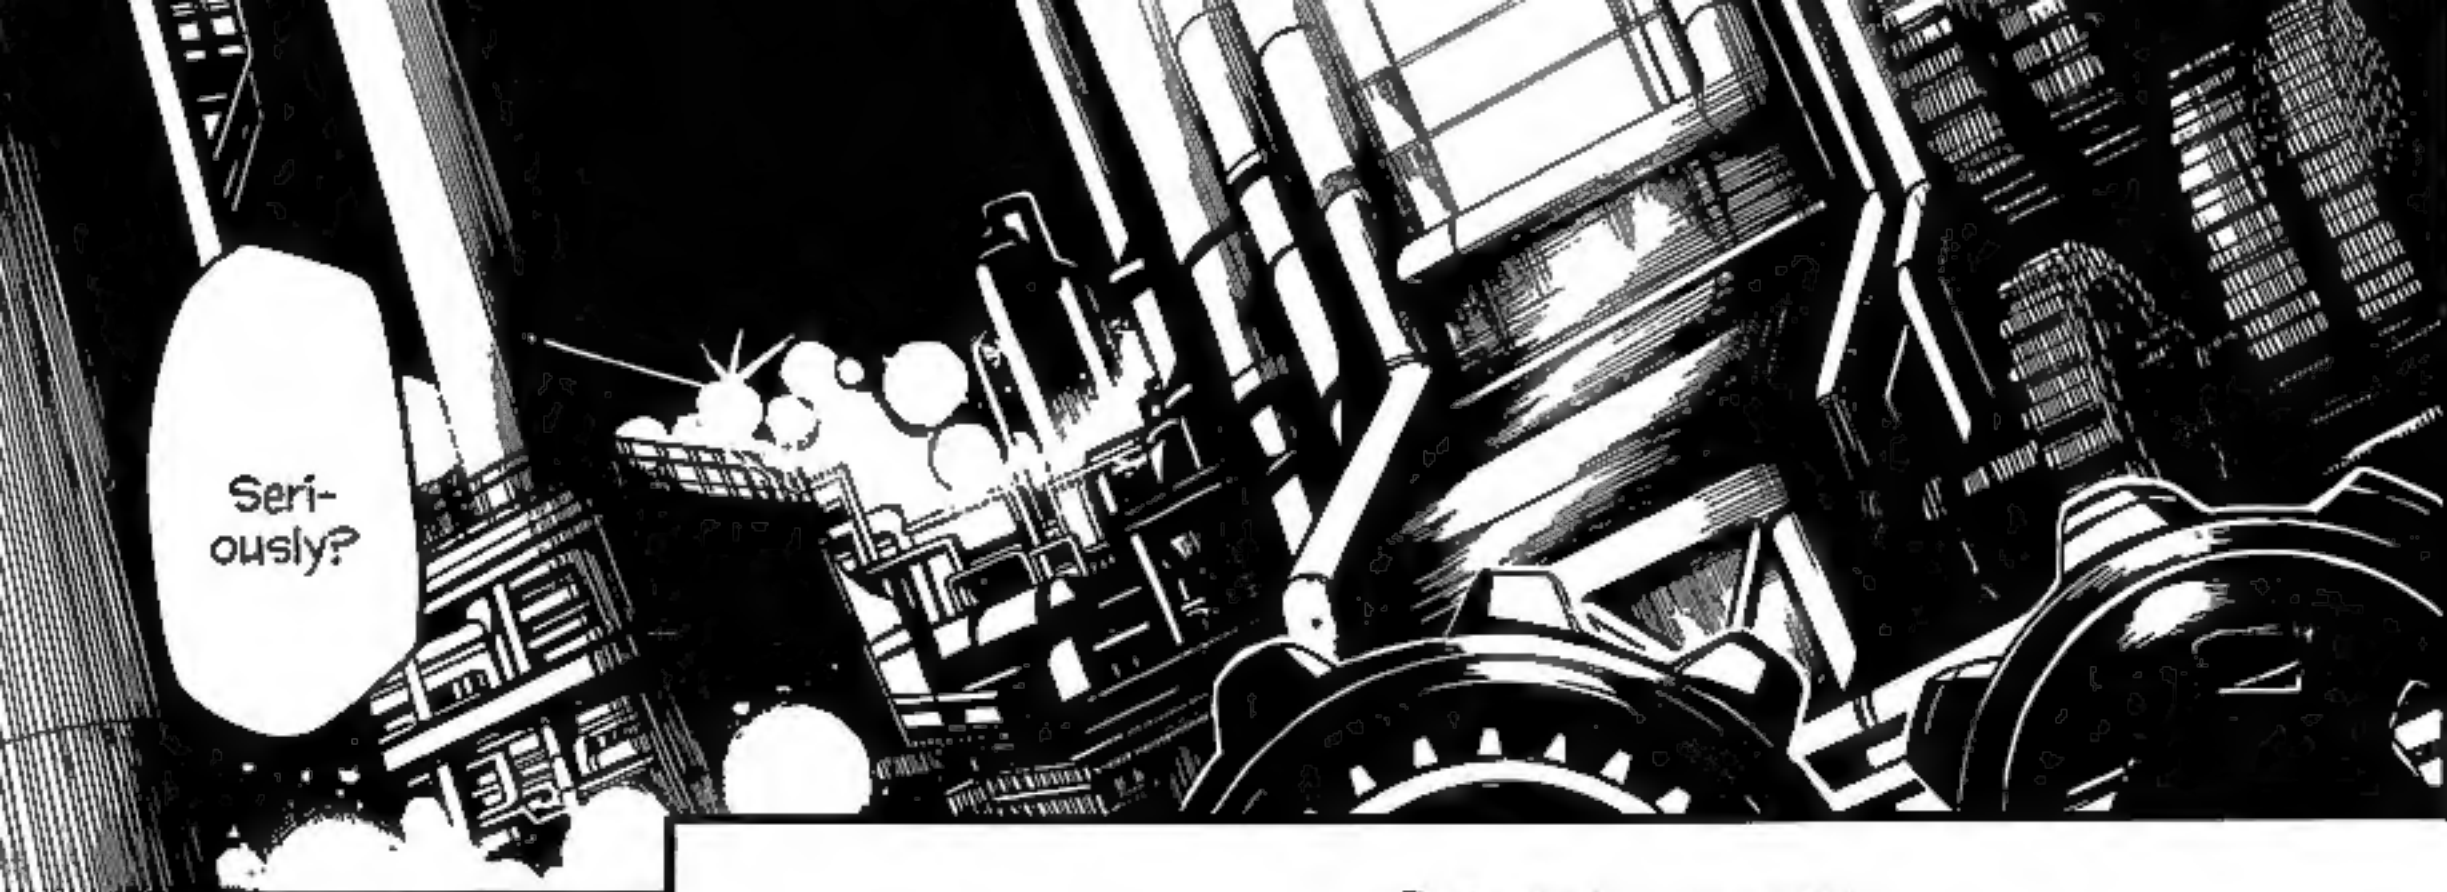

Although
Naoto-sama
stands at the
pinnacle of
humanity,

I would be
remiss of me
to not ensure
that my
master has
at least
minimal
knowledge.

Ahn...

GRID MIE

That is not
our concern.
Right now,
our task is
to complete
our mission
and return
safely.

Though as
far as the
world is
concerned,
she's dead.

She's gotta
be planning
something.

Whaaat?

Are you
ready?

It's just
a routine
factory
probing.

**MISSION:
START!**

A NEW DEVELOPMENT.**
